

Othello & **SNAPSHOT** - Audition Material

Choose **ONE** sonnet or monologue to prepare for the audition. You do not need to have it memorized.

Audition Tips: Take risks! Have fun! Play with the language! Make bold choices! Make sure you know what you're saying!

William Shakespeare - Sonnet 104

To me, fair friend, you never can be old,
For as you were when first your eye I eyed,
Such seems your beauty still. Three winters cold
Have from the forests shook three summers' pride,
Three beauteous springs to yellow autumn turned
In process of the seasons have I seen,
Three April perfumes in three hot Junes burned,
Since first I saw you fresh, which yet are green.
Ah, yet doth beauty, like a dial hand,
Steal from his figure and no pace perceived;
So your sweet hue, which methinks still doth stand,
Hath motion and mine eye may be deceived;
For fear of which, hear this, thou age unbred:
Ere you were born was beauty's summer dead.

Edmund Spenser - Sonnet 30

My Love is like to ice, and I to fire:
How comes it then that this her cold so great
Is not dissolved through my so hot desire,
But harder grows the more I her entreat?
Or how comes it that my exceeding heat
Is not allayed by her heart-frozen cold,
But that I burn much more in boiling sweat,
And feel my flames augmented manifold?
What more miraculous thing may be told,
That fire, which all things melts, should harden ice,
And ice, which is congeal'd with senseless cold,
Should kindle fire by wonderful device?
Such is the power of love in gentle mind,
That it can alter all the course of kind.

Helena from *A Midsummer Night's Dream*

How happy some o'er other some can be!
Through Athens I am thought as fair as she.
But what of that? Demetrius thinks not so;
He will not know what all but he do know.
And as he errs, doting on Hermia's eyes,
So I, admiring of his qualities.
Things base and vile, holding no quantity,
Love can transpose to form and dignity.
Love looks not with the eyes, but with the mind,
And therefore is winged Cupid painted blind.
Nor hath Love's mind of any judgment taste;
Wings, and no eyes, figure unheedy haste.
And therefore is Love said to be a child,
Because in choice he is so oft beguiled.
As waggish boys in game themselves forswear,
So the boy Love is perjured everywhere.
For ere Demetrius looked on Hermia's eyne,
He hailed down oaths that he was only mine;
And when this hail some heat from Hermia felt,
So he dissolved, and show'rs of oaths did melt.
I will go tell him of fair Hermia's flight.
Then to the wood will he to-morrow night
Pursue her; and for this intelligence
If I have thanks, it is a dear expense.
But herein mean I to enrich my pain,
To have his sight thither and back again.

Hamlet from *Hamlet*

Look here upon th's picture, and on this,
The counterfeit presentment of two brothers.
See what a grace was seated on this brow;
Hyperion's curls; the front of Jove himself;
An eye like Mars, to threaten and command;
A station like the herald Mercury
New lighted on a heaven-kissing hill:
A combination and a form indeed
Where every god did seem to set his seal
To give the world assurance of a man.
This was your husband. Look you now what follows.
Here is your husband, like a mildew'd ear
Blasting his wholesome brother. Have you eyes?
Could you on this fair mountain leave to feed,
And batten on this moor? Ha! have you eyes
You cannot call it love; for at your age
The heyday in the blood is tame, it's humble,
And waits upon the judgment; and what judgment
Would step from this to this? Sense sure you have,
Else could you not have motion; but sure that sense
Is apoplex'd; for madness would not err,
Nor sense to ecstasy was ne'er so thrall'd
But it reserv'd some quantity of choice
To serve in such a difference. What devil was't
That thus hath cozen'd you at hoodman-blind?
